

Quaker births in the Marsden / Newby / Sawley Meeting register 1654 – 1837 held at Lancashire Archives, Preston. The register is a copy. The original went to Somerset House. The scribe had noted the change from the Old Style calendar (the year started late March) to the New Style (1st January 1752). The New Style is used here. However there are a few years which may or appear to have been missed, these are noted. My pencil notes are over 30 years old, were taken from the copy, and just have names of people of the Pendle and Ribble Valley areas that appear. Please check the original.

Some births were entered twice with a spelling or date variation.
