**+++IMPORTANT NOTICE+++**

The line of the footpath(s) on the maps & directions in the text are intended only as an indication of the route. They should not be taken as showing the exact position of the legal right of way of the Path on the Local Authority Definitive Map.

Features (stiles, footbridges, etc) may have been moved off the exact definitive path location by the landowner (farmer, occupier, etc) for operational efficiency, to avoid natural hazards eg land erosion or simply for user convenience. Relocation by owners can be deemed as implicit permission to deviate from the definitive path without trespassing but this does not establish a change to a legal right of way.
