Revision No: Original

**Important Notes**

- The definitive map shows the path starting at Stile 26.S3 & running through Stubs Wood Farmyard to Stile 27.S3. This section is however completely blocked & an alternative Concessionary Path is provided starting at Stile 27.S1 which is located at the bottom of the hill opposite FP26.KG2 on Path 26. This Concessionary Path then joins original Def Path FP27 at Stile 27.S3
- From 27.S3 Def Path FP27 goes **either** downhill to the left towards Twiston Mill at Bridge (27.FB4) over Ings Beck (boundary with Twiston Parish - joins Twiston Path 3-42-FP17) **or** downhill to the right to Wood Farm & Downham Mill to join path FP23 at stile 27.S5.
- Def Path FP27 forms a triangle at Stile 27.S3. By turning right before crossing Bridge 27.FB4 at the bottom of the hill there is a path which follows the beck & joins with Stile 27.S5. Choice then is to either turn uphill back to Stile 27.S3 or to take Path FP23 to Wood Farm/Downham Mill

**IMPORTANT NOTICE**

The line of the footpath(s) on the maps & directions in the text are intended only as an indication of the route. They should not be taken as showing the exact position of the legal right of way of the Path on the Local Authority Definitive Map. Features (stiles, footbridges, etc) may have been moved off the exact definitive path location by the landowner (farmer, occupier, etc) for operational efficiency, to avoid natural hazards eg land erosion or simply for user convenience. Relocation by owners can be deemed as implicit permission to deviate from the definitive path without trespassing but this does not establish a change to a legal right of way.
