HIGHWAYS AND FOOTPATHS ((to include CCTV cameras)

The Chair reported that work on the footpath near Rufus Carr would be undertaken in late October/early November. It was noted that Dan Bolton had been reducing vegetation around various stiles in the parish.

Keith Pilkington reported that couriers, presumably following sat nav directions, were trying to use the part of Coal Pit Lane which was only a bridleway. It was agreed that the parish council should purchase signs to be placed at appropriate sites on Coal Pit Lane warning that the Lane did become only a bridleway and was not a through road.

It was noted that the Back Lane sign needed new posts.
