SPIDS AND ROAD SAFETY MATTERS

Issues with branches hanging over roads and fallen branches were reported. It was noted that trees in fields adjacent to roads would be the responsibility of the landowner but that any actual impediment to the highway would be sorted by LCC as it would compromise road safety. David Briscoe advised that he would report fallen branches via the Love Clean Streets app.

ANY OTHER BUSINESS

It was noted that clearance of a footpath which also passed through a farmyard had been approved by the landowner concerned and Gary Bolton advised that he would look into this.
